Subject: Remembering Prof. Maltoni - EJO editorial and museum tour 28 October 2011
Attachments: EJO Editorial Maltoni.pdf

Dear Fellows and Emeritus Fellows of the Collegium Ramazzini,

Attached please find a recent editorial published in the European Journal of Oncology entitled "Medicine today: role of the doctor and of prevention. Remembering Cesare Maltoni 10 years on from his untimely demise".

The General Secretariat and Ramazzini Institute are planning a special visit to the home of Professor Maltoni (now Museum Maltoni) in Bologna on **October 28th, 2011** prior to the start of the annual Ramazzini Days. The event and luncheon will commemorate 10 years since Professor Maltoni's death and will allow Fellows to meet some of the volunteers of the Ramazzini Institute who have been supporting the Collegium with fundraising initiatives for the last 25 years.

Fellows planning to attend the luncheon at Musuem Maltoni should try to arrive by noon at the Bologna International Airport (BLQ) or Bologna Centrale Train Station; transportation to the museum will be arranged. Fellows unable to attend the museum tour/luncheon are asked to arrive at BLQ or the Modena/Carpi stations; transportation will be arranged to the Hotel Touring in Carpi. Departures should be scheduled for late Sunday afternoon October 30th or Monday October 31st.

Ramazzini Days online registration will open in mid-July 2011.

kind regards,

KK
